

# **Play It Forward – Silver Tees**

Updated January 2024.

The Ridgeview Ranch Senior Golf Association (RRSGA) started having a Forward Tee Tournament on June 2, 2015 with the intent to promote the enjoyment of the game of golf.

The members playing from the Forward Tees will only compete against the other Forward Tee players and not against the normal tee players. Thus there will be 2 tournaments at the same time, our original tournament from our normal tees and a new Forward Tee tournament from the Silver Tees.

All 18 holes will be played from the Silver Tees.

There will NOT be any restrictions or regulations on age or handicap. Everyone is welcome.

The Forward Tee players will be able to compete in the Hole In One contest.

Foursomes will consist of members playing from the same tees.

Movement from one tournament to the other will not be permitted. A change may be allowed at year end.
